

## **Manuscripts published in peer-reviewed scientific journals**

**Ferguson, S.J.**, Page, L.R. 2016. The evolutionary origins of a nervous system novelty in a neritimorph gastropod. *Journal of Comparative Neurology*. (In process)

**Ferguson, S.J.**, Page, L.R. 2016. Ontogenetic correlation between muscle and nervous system novelties in a neritimorph gastropod. *Journal of Morphology*. (In process)

Page, L.R., **Ferguson, S.J.** 2013. The other gastropod larvae: larval morphogenesis in a marine neritimorph. *Journal of Morphology*. 274(4): 412-428.

Jablonski, C., **Ferguson, S.J.**, Pozzi, A., Clark, A.L. 2014. Integrin  $\alpha 1\beta 1$  participates in chondrocyte transduction of osmotic stress. *Biochemical and Biophysical Research Communications*. 445: 184-190.

## **Conference presentations**

**Ferguson, S.J.**, Page, L.R. 2014. Ontogenetic correlation between muscle and nervous system novelties in a neritimorph gastropod. Society for Integrative and Comparative Biology Conference – January 3-7, 2014. Austin, Texas, US.

**Ferguson, S.J.**, Pozzi, A., Clark, A.L. 2011. Hypo-osmotic insensitivity of integrin  $\alpha 1$ -null chondrocytes. Orthopedic Research Society Conference – January 13-14, 2011. Long Beach, California, US.
